M. WAHYU SETIYO NUGROHO

OPERATIONS PROFESSIONAL | ENTRY-LEVEL AI DATA ANNOTATOR

Situbondo, East Java, Indonesia | +62 823-4616-3659 | wahyuku125@gmail.com | LinkedIn profile

PROFESSIONAL SUMMARY

Detail-oriented operations professional with hands-on experience monitoring industrial equipment, following safety procedures, and checking production output, plus one year of app-based driving experience. Currently pursuing a Bachelor's degree in Informatics and learning programming fundamentals. Interested in project-based work that values careful observation, accurate counting, and consistent adherence to written guidelines.

EXPERIENCE

Turbine Operator | Pabrik Gula Asembagus — 2020–2021 | Asembagus, Indonesia

- Monitored turbine operations, machine status, and operating data during production shifts.
- Observed boiler-pressure readings and reported operating changes to support safe, stable operations.
- Followed workplace safety procedures (K3) and standard operating procedures.

Woodworking Machine Operator | PT Bina Satria Abadi Sentosa — 2021–2024 | Situbondo, Indonesia

- Started and stopped wood-sanding machinery in accordance with production procedures.
- Monitored control panels, checked finished output against requirements, and reported irregularities.
- Performed routine maintenance and followed K3 and machine-safety procedures.

Ride-Hailing Driver | Independent / App-Based — 1 year (dates not provided) | Indonesia

- Completed app-based ride-hailing work for one year, managing service requests, route planning, and customer communication.

Community Ambassador | Sui Network Project — 2025 | Remote

- Promoted Sui Network and contributed to community awareness during the 2025 ambassador campaign.
